@1346. SHRI N. GIRI PRASAD:
SHRI N. E. BALARAM:

Will the Minister of AGRICULTURE be pleased to state:

(a) whether Government are aware of the plight of the growers of black pepper in Kerala due to the decline in demand when the crop is expected to be good in the current year;

(b) whether the State Government has urged the Central Government to procure at least 20 per cent of the production by the official agencies at reasonable prices to make the market intervention more meaningful; and

(c) if so, what are the details there of and what is the Central Government's reaction thereto?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI ARVIND NETAM): (a) to (c): State Government of Kerala informed the Central Government that the prices of black pepper had declined during the current year due to limited internal consumption and reduced exports and suggetsed that purchases should be made under market intervention by National Agricultural Cooperative Marketing Federation of India Limited (NAFED), the Central Nodal Agency and the State designated agency. A meeting to consider the market intervention price and other modalities was held with the State Government representative and NAFED. Purchases are generally made pto 10 per cent of the marketable surplus to begin with and the additional quantities can be purchased, if need be, in consultation with the State Government. The State representative desired that purchases should be made of 20 per cent of the available stocks including last year's carry over stocks. He mentioned that the State Government would consider the proposal of the Central Government in respect of the Market Intervention Price and quantity of the black pepper to be purchased. The reaction of the State Government is awaited.
